

Northland Amateur Filmmakers Festival

www.naff.nz

Rules And Regulations:

- You must have created a team by the specified date (info on the website)
- Films must be submitted by the specified date (info on the website)
- NAFF is open to all ages and all levels of skill and experience in filmmaking although you must enter in the correct category, and be based in the northland region
- There is no restriction in theme, genre, or style however this is a "short film festival" therefore films must have a story or narrative to them and organisers reserve the right to not screen your entry.
- Films must not be overly inappropriate or NSFW, and NAFF reserves the right not to accept films we deem to be inappropriate.
- We will not accept or screen home movies, random 10 minutes of footage, or edits using other movies footage unless rights are accessed
- Films can be anything up to, but not over 10 minutes (If its a few seconds over it will be accepted)
- Films must be uploaded via the link on website
- As all films unless deemed against rules and regs will be screened to public, please ensure that you have acquired the appropriate copyright permissions and release forms
- These films will be screened in a public family friendly setting we will rate all films, although we will accept these films please remember that this is a family friendly event

- NAFF is free to enter, non profit event that is thankful for its sponsors
